Interior

This property is frozen in time. The ceiling in the living room has come down following a leak, but whilst the debris has been cleared up there is no longer a carpet or furniture (Curtains remain). Otherwise, the furnishings are retro and the rooms spacious.

Exterior

Set in its own grounds, accessed down a gated private entrance. Derelict swimming pool, derelict tennis courts, and several acres of parkland exist on the site. For photographers, there are some nice features such as the tree with the rope swing adjacent to a small lake.
