Interior

Centrally located off Regents Canal, London N1,
The studio is a stylish, open-plan photographic hire studio, a short walk from Angel and Old Street tubes.
The 1000sqft studio is an old warehouse with many original features, ideally suited to photographic shoots and film/TV work with ample working space. It is also ideal for events such as workshops and screenings with a 7ft projector screen and high end in-wall 5:1 surround sound system. It also has a pop-up client office area as part of the main studio. The space offers great natural light with blackout option available.
Equipment hire is available and we also stock a range of colorama.
The surrounding neighbourhood is ideal for recreation and entertaining clients along the canal with the vibrant areas of Shoreditch and Upper Street within 10 minutes walking distance.
