## Interior

Film friendly classic American steakhouse in the heart of London. The interior of the restaurant, set over two vast floors, has bought to life art deco America mixing aged wood, brass and luxurious green leather, the restaurant has been aged expertly, whilst still feeling new and fresh. Period art, design and meticulous details mean stepping inside the building is like going back in time.

### Exterior

Classic American Steakhouse. Green awnings, elegant, black steel entrance, outside potted gardens.
