Downstairs Bar:

Round booths and a steel spiral staircase dominate our downstairs bar, which is a fantastic space to shoot. With three movable parts the booths can easily open up to accommodate larger numbers of cast/crew. Upstairs: Balcony 1: 20 people Balcony 2: 30 people Vibrant setting overlooking the downstairs bar areas. Cute vintage and funky, this offers you the chance to film in secluded style.

In addition, there is outside space and a fine dining restaurant
