Interior

This retreat offers lots of stunning bright spaces with a modern and high end feel.

The interiors are light, bright, and contemporary, with the welcoming softness of warm wood, cushions, and cosy throws.

At its heart, you'll find a stunning triple-height dining space overlooking the water.

The kitchen can be reached through a glass walkway and is in a separate building with a pitched roof. The Kitchen has white wooden units, an island with a breakfast bar and a lounge with a sofa at the other end. The bi fold doors lead you directly to the natural swimming pool.

You can reach upstairs via the visually impressive staircase, head across an open landing to the four bedrooms.

These include double bedrooms, a large master and a children's bedroom. One of the bathrooms features a large free standing bath.

Exterior

As well as the natural pool, the grounds host a hot tub, sauna cabin, club-sized tennis court, and sunken trampoline. The landscaped gardens extend across 1.5 acres, before giving way to the fields and countryside beyond.
