Interior

Restored and converted farm cottages with original features such as heavy wooden doors, ceiling beams and rafters, giving the cottages their rustic and traditional feel. All cottages are decorated to a high standard with modern furniture, fitted kitchens and bathrooms. Downstairs rooms are open plan so plenty of room to manoeuvre. The venue room is crisp, clean and modern - ready for DIY celebrations to give it your unique touch.

Exterior

Most cottages have patio areas with picnic benches. Cottages have stunning countryside views. The events room has an almost panoramic view of the rolling Derbyshire Peak District Countryside. Our meadow and Avenue of Trees make a lovely scene from some of the cottages. We also have a woodland trail walk. The site is gravelled with white stone and has stepping stone paths mapped out throughout the venue. The location is stunning and creates a very relaxed and revitalised atmosphere but with a cosy home away from home feel to it.
