Luxury House With Indoor Pool For Filming

5 bedroom and 6.5 bath large modern contemporary home.

Location: Cheshire, United Kingdom

Within the M25: No

Categories: Detached & Executive Houses | Swimming Pools | Designer Contemporary

Features:

Interior

Exceptional luxury house with indoor pool. The property opens into a spacious entrance hallway, with parquet flooring and adjacent cloakroom. To the right, doors lead to a bright, well-equipped study, and to the exquisite formal living room; dual aspect, with two sets of bi-folds opening onto the garden - an excellent relaxing or entertaining space. The heart of the house is undoubtedly the semi-open plan living/dining/kitchen, with adjacent swimming pool, to the rear of the property. A stylish dining area leads to the stunning, sleek kitchen with top of the range appliances and breakfast bar. There is a generous snug, with side access, to the left of the kitchen, while to the right sliding doors open to the fabulous indoor swimming pool with lounge/gym space and cinema projector. A wall of bi-fold doors, opening onto the garden, creates an incredible indoor/outdoor entertaining space, while the multi-purpose utility/bar/changing room is the place for a post-swim shower. The first floor has been re-configured to intelligently balance the available space, resulting in four superb sized rooms, all with new en suite bath/shower rooms. The two rooms to the rear are particularly impressive, with additional dressing rooms and Juliet balconies offering views over the garden. Though the first floor bedrooms are extremely impressive, the principal suite is something very special. Spanning the entire second floor of the house, there are spacious bedroom, lounge and study areas, a custom built dressing room with coffee station and a four piece en suite bathroom, all complemented by floor to ceiling windows.

Exterior

Externally to the rear, the attractive enclosed garden has lawn and patio areas, while to the front there is a large double garage and ample driveway parking for numerous vehicles. The property is alarmed, has CCTV and sits behind electric gates.
