Interior

Our auditorium is a perfect black box location with a large connecting production gallery and access to 3 phase sockets. On set retractable seating offers options for live audiences and electrically operated lighting hoists accommodate all your lighting needs. Nearby Green room, VIP rooms, showers and on-site catering provide all the necessary comfort for talent and crew. Outdoor areas, dance room, sports hall and access to our large atrium provides extra space for larger productions and the whole site can be booked for multiple days as required.
