Interior

You will be tempted to take up residence by your windowsill, lapping up your very own slice of Oxfordshire. Taking in the unspoiled views over The Manor's gardens onto the rolling hills while listening to the serene sounds of nature are the perfect antidote from a busy daily life, especially when enjoyed with tipples in hand. It's these moments that you'll just want to hold on to.

Executive Suites are the largest bedrooms in The Manor. Offering the most perfect of accommodation options at the height of luxury and space, or as a generous family room, these suites are made up of two inter-connecting spaces. A welcoming King Size bed is the centrepiece of the bedroom while a separate sitting area is ideal to give another opportunity to make yourself at home.

With so many beautiful places to visit and fun experiences beckoning, Oxfordshire is a jewel in Britain's crown and The Manor the perfect backdrop.

Exterior

The Manor is a natural Oxfordshire venue of choice for many of life's celebrations. There are few backdrops that can rival the stunning garden setting of The Manor for the perfect country feel.
