Walls & Windows

- Bay Window

Interior

The kitchen benefits from high spec integrated appliances, stone worktops and a large kitchen island with breakfast bar. The room includes space for dining and family living space around the fireplace, whilst at the rear is a fully glazed temperature controlled walk-in wine cellar. Double bi-folding glass doors open out the rear garden.

Exterior

Externally to the rear there is a fully detached one-bedroom annex with kitchen/reception room and en suite shower room which would be ideal as a guest annex, home office or gym. The garden has been finished with artificial turf and also boasts a built-in hot tub and outdoor kitchen/BBQ area.
