New Build Home And Workshop For Filming

Set in 1.6 acres of land with a wildflower meadow and vegetable garden.

Location: Wiltshire, United Kingdom

Within the M25: No

Categories: Detached & Executive Houses | Workshops | Country Estates | Family Modern

Features:

Interior

The house is a new build with light bright rooms, the front of the property is wood clad and contemporary in appearance. The workshops and store are home to vintage garden tool business but can be cleared for filming, The rear of the property has more of a commercial agricultural feel with steel cladding. A large quadruple garage completes the interior.

Exterior

Mixed residential/ commercial property set in 1.6 acres of land. The property sits in 1.6 acres with a wildflower meadow and vegetable garden. Parking is available and the views beyond the garden look out on agricultural land.
