### New York Style Subway Carriage for Filming

New York City (NYC) subway carriage for filming

**Location:** Surrey, United Kingdom

**Within the M25:** No

**Categories:** Trains, Stations & Yards | Film Sets

**Features:**

**Interior**

American New York subway carriage. Stripped back with traditional plastic seating in blue and chrome handles and bars throughout. Doors are operated manually, but open together in all but one of the exits. Lighting is LED strip lights. This is a raw location with no power, water, or electric.

**Exterior**

The carriage is 60 foot long and is situated in a yard southwest of London. It can be moved to your studio or location at your cost. However, it can be filmed in the yard or it can be moved around the country on a trailer  
Unit base parking is available at the site
