

WM2131 Newly Built Open Plan Contemporary Residential Barn Conversion Within A Wind Farm

We have a recently built and finished a barn conversion on a farm very close to junction 18 on the m1 with excellent links to the M, M6 & A14. What makes our property ultra unique is the fact we are situated right in the middle of a wind farm, so we have views of beautiful rolling countryside interspersed with many 125 metre high wind turbines!

Interior

Situated on our own farm, and not overlooked by any other properties. What makes this property ultra unique is that it is situated right in the middle of a wind farm, so it has views of beautiful rolling countryside interspersed with many 125 metre high wind turbines!,

Exterior

The property has a private access drive and plenty of parking for cars / lorries as well as a large turning area. It also has an empty and usable barn attached to the side of the house, measuring approx 14 metres X 8 metres.
