Interior

The Hall interior is filled with history and beauty. As a Grade II listed property we ensure that all the charm of the original features are kept and maintained. The house contains some lovely features including wooden panels, lovely wooden wide arched door frames and large arched windows.

Exterior

5 acres of beautiful walled gardens, with many hidden gems around each corner, archers and large metal gates. Offer great features as a backdrop.

Tennis court, Orchards and parklands surround the property.

Outer buildings also provide great character to a shoot.

Grand drive way to the front of the property, offering a lovely shoot with trees providing a border each side leading up to the house. with a turn style drive way to get the perfect shoot of vehicles at the front of the house.

The grounds look beautiful in all seasons with a amazing selections of flower borders and large green spaces in the meadows.

We also have a farmer graze his cattle on the land which can bring the perfect country side shoot you maybe looking for. However this can be moved on to his land at any point for filming and events.
