Interior

Features Include:

- Set in a unique quiet courtyard is what is known as the secret house.
 - This is a two bedroom split level property
 - Large open plan kitchen / diner / living space downstairs
 - Downstairs filled with natural light from slats in the ceiling at the far wall along with floor to ceiling glass panels looking out onto the properties private brick enclosed courtyard
 - Along with this large living space there is a snug area which is also well lit and has a fantastic feature of a double width Walnut door along with a usual glass door which both open out fully allowing the snug to become a part of the courtyard in the summer months and making a unique feature when closed
 - W/C downstairs
 - Going up the double height stairwell you reach the family bathroom which is then immediately followed up by the 2nd bedroom
 - Opposite the bathroom is the master bedroom which has a large balcony accessed through a double door along with a shower wet room
 - This property has had no expense spared and is finished to the highest standard throughout
-
