Interior

A small office and 2 workshop type rooms make up the rest of the ground floor property. Apex roof characterises the main warehouse space with it's original metal beams, concrete floors and brick walls and make this space an exceptional place to shoot. Around 3,000 sq feet in total floor space across the ground floor.

Exterior

Attractively aged exterior with exposed brickwork makes up the exterior of the building and there are units of similar usability that surround the immediate area.

Located close to music studios and available on flexible basis.
