Walls & Windows

- Paneled Walls

Interior

A tiled porch and entrance hall leads to two individually designed downstairs bedrooms, the master bedroom has a double bed with views out to a castle, the perfect place to enjoy breakfast in bed. There is a spacious twin room with built in wardrobe, both bedrooms are complimented by fresh traditional furnishings. The large cosy limestone tiled family bathroom has a large bath, separate shower, heated towel rail, basin and w.c. There is also a separate cloakroom with w.c and sink.

To the right an archway leads to the well equipped country kitchen with quality appliances, cream units and beech worksurfaces. There is a large family sized dining table which seats six with an old pine church pew.

An open staircase leads from the kitchen to the comfortably furnished bright and airy sitting room with high ceiling and exposed beams. There are good views of the Castle, the sea and fields to the rear of the property.

Exterior

The original stone barn has been cleverly converted to create this holiday cottage . It is ideally situated 100 metres from the centre of a village on the road leading to the beach and the golf club. A path alongside the cricket ground, which lies between the house and the Castle, leads to a superb sandy beach, only two minutes walk away. There is private parking for two cars.
