Open Plan Space In London For Filming

Large open plan space consisting of two separate filming areas

Location: South West London, London, United Kingdom

Within the M25: Yes

Categories:

Features:

Interior

It is a large open plan space consisting of two areas, as shown in the images. One room is a bright area with a large island, small bar area and large storage display wall. This opens out into a smaller office space with a seating area, screen and cabinets. There is also a small garden terrace with lush flowers.
