Interior

Our cottages sleeping between 2 and 11 people combine modern luxury with a traditional country feel and can accommodate in total up to 90 guests.

Nestled amongst the cottages is a central leisure building with games room, indoor heated swimming pool, sauna, spa and two function rooms.

Our smaller function room can seat up to 20 guests around one table or would cater for a buffet for more guests.

A larger room can seat up to 100 guests and a marquee extension can be added if necessary.

Patio doors lead out onto a terrace. Both of our function rooms have tables and chairs provided.

Exterior

We have our own outdoor children's play area and a large meadow for games along with ample parking spaces.

Our own little path leads across the road to a traditional country pub serving local beers and home cooked meals. The surrounding countryside or nearby reservoir is perfect for water sports or a ramble.
