Interior

- Last manned UK Lightvessel.
- Original cabins, working engine room, galley, mess room, helideck, working lantern, all in unaltered condition.
- Themed cabins 1940's - 1980's plus thousands of props, old radios and TV's. Also working 'pirate' radio station plus Offshore Pirate Radio Exhibition with original Radio Caroline microphone and other artefacts.

Exterior

This restored Lightship is moored in a discreet location on the east coast and offers flexible hire for filming and events. The vessel is 120ft long and 25ft wide with a helicopter landing pad on the deck which can be used to fly drones, should this be required.
