Categories: Detached & Executive Houses | Ponds | Lakes | Islands | Family Modern

Features:

Interior

Recently renovated 1960's house. The house consists of:

- master bedroom with an ensuite and two walk in dressing rooms. The master has direct access to the balcony via bi-fold patio doors. The ensuite also has beautiful views of the river.
- 2 further bedrooms. One of which was a further staircase giving access to an electric sky light window / door to the main upper deck of the balcony
- Main bathroom as a sky light window running the full length of the bath
- Vaulted hallway with modern chandelier and Velux sky window
- Living room is round in shape and directly over the pill box. It was 6 meters of windows to take in the river, weir and field views. Open plan kitchen / diner with island. Plus, Bi-fold patio doors leading onto the split-level patio with views to the river.

Exterior

There is also a secret door leading into the garage with onward access to the pill box and a log burner.

- Study with Bi-fold patio doors leading onto the split-level patio with views to the river.
- Garage
- Private driveway can comfortably fit at least 4 cars
- Maintenance bay / driveway for additional parking to the front of the property with a bridge leading over a second weir onto the main driveway.
- Large gardens surrounding the property to include a unique triangular peninsular for additional seating under the pagoda at the rear of the property overlooking the River Loddon and the mill stream. There is also an island in the middle of the main river at the rear of the garden.
