Perfect for fashion, editorial, product, video shoots, unit base for location filming, art exhibitions, galleries, still life and more.

We offer flexible hours, private access to the studio, kitchen facilities and easy loading facilities. In addition to the facilities themselves we like to be as helpful as possible, offering pre and post production services, lighting, digital capture, crew and catering should you need it. Access to the Recording studio can also be provided.

## **Exterior**

We are surrounded by many urban locations regularly used for video shoots - Ladbroke Grove, Trellick Tower, The Westway, Portabello Market. Our converted archway is situated below the tube amongst car garages, estates and general urban decay. We are the perfect base for urban shoots for music videos, adverts or films.
