Interior

This newly build premises boasts state of the art technology in its design and facilities. Designed to be used as a multi-functional space, with facilities to match any venue. Light pours into every corner of the building as it is surrounded by glass in the windows and the roof space. Every useable space has been created to be accessed from the main foyer area and it hosts the latest in technology and facilities. Ground Floor As you enter the reception area through large glass panelled automatic doors, you are faced with a large area flowing through to the other end of the building.* 200 ft. long - Main thoroughfare/foyer with semi-circular reception desk near the entrance.* As you move down the sunlit floor space there are function rooms lecture rooms on both sides.* Opposite the reception is a restaurant which can be doubled as a stage area for performances.* Kitchen - 60 sq. ft. - new fully equipped kitchen provides high spec facilities in stainless steel finish. (When fully operational it can cater for up to 140 people.)* Beautician Area - 40ft by 60ft - A with a fully staffed professional hairdresser and behind this is an area for 4 beautician beds.* Recording Studio - 30 ft. sq. - At the far end of the thoroughfare is a professional recording studio which is sound proofed and has its own control centre. This room is equipped with the latest technologies. Upstairs Main Conference Centre - a large area accessed via the stairs. Where it has its own food preparation area and a set of sliding doors leading out to the extensive balcony. Computer Room - which has up to date computer which are incorporated into the desk. One touch and they rise up from the inside of the desk. Transport Facilities* Easy commute from Cambridge and boasts an excellent public transport service to and from Cambridge.* Trains run hourly from Cambridge to London Liverpool Street. Accommodation Many hotels and B&B in Cambridge and the village where the college resides.
