LON4251

Renovated Detached London Home For Filming

London family home and garden now available to hire for filming

Location: South West London, London, United Kingdom

Within the M25: Yes

Categories: Detached & Executive Houses | Period Houses | Designer Contemporary

Features:

Interior

Internally, rooms are spacious, with contemporary style furnishings and walls painted with pastel colours, mainly light grey.

Exterior

Large 3 story detached home with new powder coated windows and single garage. The front garden is still being finished off but only minor works remain and this should be finished by the end of the summer (2019). At the rear, the garden is laid to lawn with a contemporary outbuilding residing at the bottom of the garden.
