Interior

Much like the town, Coventry Cosy Club is a glorious celebration of different styles. We boast 4.7 miles of reclaimed wooden floorboards. Our beautiful outdoor terrace is the perfect place to enjoy a beverage of your choice.

Home to an exposed concrete ceiling which cleverly clash with the picture-crammed walls and 102 spectacular vintage lampshades. It's a place for a range of different ways you can enjoy cocktails, late night drinks and darn fine dining, plus stop in for a leisurely breakfast or lunch.

At the centre of the club is our dramatic, baroque-styled bar. Dining tables and leather sofas surround it, and wrapping around the whole scene are our fabulously grand windows. Light and airy, they lead onto the terrace area where diners and drinkers can take some air or watch the world go by below
