Interior

Each is available for private hire individually or together. Set on an 800 acre organic farm, with incredible views of the hills and surrounded by nature.

Dutch Barn's exterior is black corrugated iron and wood. Inside its industrial features include timber-clad walls, exposed metal roofs and girders, floor-to-ceiling black Crittall windows & doors, and a (resin coated)polished concrete floor. The space can be divided via a floor to ceiling red velvet curtain. There is underfloor heating and A/C. There is a double car access door - 3m wide x 2.2m high. Dutch Barn is 5700sq ft.

Stone Barn, is a typical 19th Century barn made of Cotswold stone, with polished concrete floor and exposed timber beams and bare Cotswold stone walls. Overhead feature lighting of purple & pink lampshades. It has underfloor heating and a large inglenook fireplace with working fire. Stone Barn is 1,300 Sq Ft. There is also a kitchen and well maintained front lawn to front of Stone Barn
