**Interior**

A uniquely designed barbershop blending rustic charm with vintage sophistication. Featuring exposed brick walls, polished wooden floors, and luxurious leather barber chairs, the space exudes warmth and character. Floor-to-ceiling windows invite natural light, while carefully curated decor, including a polished globe and lush greenery, enhances the ambiance.

**Exterior**

At the back, a stunning courtyard with decking and an exposed fireplace offers a serene and stylish outdoor retreat. The green storefront, adorned with hand written gold lettering and a traditional barber pole, completes the striking first impression.
