## **Interior**

With a distinctive period style yet done with a contemporary twist inside the house oozes good energy and charm.

The rooms are all easily accessible, large and with easy access. The views of the rolling meadow from the lounge give a unique setting, whilst being warm and full of light from the large wooden window frames. Large open fires, log burners and mini library / snug finish of the downstairs.

Upstairs the four large en-suite bedrooms surround a large skylight above the staircase. A huge attic on the third floor accessible by stairs and a doorway mean that there is plenty of extra room for equipment.

The property benefits from an annexe which is a holiday cottage with 3 bedrooms and 3 bathrooms that can also be used for filming or accommodation for up to 8 people.

## **Exterior**

Set in the stunning Woodford Valley, and near a lovely country pub, we have a mock Georgian Manor / Farmhouse, with unique and interesting features, huge windows and the most incredible view of the valley behind.&nbsp;
