Hello! My home is a two-double bedroom semi-detached Victorian house. The sitting room has a Victorian fireplace and Hague blue walls. The hallway is spacious and has a library arch, and an understairs loo. The house then extends at the back into a bright and airy kitchen/dining room with French crittal style windows that open up onto the south-facing garden. The vaulted ceiling has skylights in it making the space feel very bright and spacious. The kitchen has a quartz bar overhang which is perfect for food photography or cooking shoots. Upstairs there is a double bedroom, a guest room/office, and a roomy bathroom with integrated washer/dryer. There are wooden floors throughout.
