Interior

This semi detached cottage offers a neutral warm feel throughout. The rooms are dressed minimally with exposed beams and decorative fireplaces throughout the property. The kitchen has recently been renovated and is now an open plan kitchen diner. The kitchen features white units, marble worktops and a central island that then leads to the glazed doors that open out to the garden patio. There is a separate living room, small home gym and a hallway leading upstairs. There are four bedrooms and modern bathrooms.

Exterior

The patio can be reached directly from the open plan kitchen. This patio has a BBQ and then leads to a large lawn that takes you to the end of the garden where you will find a garden office with air con and underfloor heating. Out the front of the property there is a cobbled driveway which will fit up to three cars with additional on street parking available at no cost.
