Interior

HistoryOriginally the Villa was built as a church for the monastery in the 1600's, and later converted to a granary in the 1840's, by the Moscatelli family who bought the estate when the Friars of the Mount of Olives Order of Gubbio, who had occupied the site for over 700 years, moved to Siena.

Stylish InteriorIn the style of an Umbrian farmhouse, very tastefully restored with the utmost attention to detail, lovingly furnished and decorated to an exceptionally high standard with antiques and handmade furniture.* 3 living rooms* Modern Italian blue/grey gloss-finish kitchen* 3 bedrooms with en-suite* all painted in light colours* all elegantly styled with terra-cotta flooring* all rooms approx. 5.5m x 5.5m* Terracotta floors* Huge oak and chestnut beams* Staircase with a hand crafted wrought iron balustrade* Combined with an open plan brick arched ground floor area * Spacious sunny atmosphere* Signature materials have been used throughout for the interior fixtures, fittings and finishing
