Interior

Don't be fooled by our bijou entrance You can use the lift or stairs to access an absolutely stunning first-floor bar restaurant with outdoor terrace seating.

The open-plan first-floor space is split into separate bar restaurant & dining areas & has an overall capacity for 300 guests.

The bar area comprises of an Art Deco-inspired snug & a roomy bar area, which is dominated by an impressive gin-palace-style bar. The look is completed with leather club chairs, sink-into sofas, Art Deco coffee tables and velvet pouffes. Not to mention our beautiful chandeliers and a pair of feature Art Deco uplighters (from the set of Jeeves & Wooster).

The dining area has seating for up 110 guests & a further 66 guests on the balcony. The interior is an eclectic mix of reclaimed tables, old leather dining chairs, reclaimed railway waiting room benches, old lab stools, Victorian lampshades & Eastern European factory lights. On the raised area, complete with a couple of feature antler chandeliers, the walls are adorned (literally covered) with old oil paintings & prints. The simply stunning balcony is easily one of the most impressive al fresco dining spots, where you can people-watch to your heart's content.
