Interior

London family home with a lived in feel. Features family back garden, small patio area, driveway for parking, flat roof and roof terrace.

Exterior

A nice front garden with a 2 parking space driveway, the front garden has small plants planted on a soil base section with a water fountain in the centre. The rear garden has a concrete patio with a wooden shelter covering the top which then leads to a large section of the garden which is grass based and with plants planted on the side. Towards one side of the garden next to the house there is a closed off outdoor kitchen and towards the rear is a small garden shed with windows.
