Interior

Our new studio location was built in the 1930s as a spice warehouse, this 7500 sq ft gem is set in its own private road, spread over four floors including the 1500sq ft roof top.

Sexy big kitchen, roof terrace, decaying conservatory, huge studio space, rock stars pad, bistro and a floor of industrial chic all split into three separate studio locations that can be hired individually or collectively.

(Associated Locations: LON2264, LON1817,)

Exterior

The building boasts full height roller shutter access, additional kitchenettes on each floor ample parking, cozy mature garden spaces and good transport links to Central and East London by road and rail.
