Interior

This oak beamed property has the capacity to seat 1000 people. The Property is a historic listed building with original wooden floors, Original oak beams fill the pitched roof. There is a stage with balcony above. There is a small kitchen and WC along with a raised area ideal for shooting down from.

There is no heating in the property. If this was required heaters would need to be bought along or could be arranged at extra cost. This location also benefits from having no echo. Available for filming and photo shoots.

Exterior

The outside of the building has a car park that could be available with prior arrangement.
