Interior

Versatile, empty London shop offers many possibilities for filming. Possible filming options include but are not limited to dressing the shop to be authentic of its 1860 period, or perhaps shoot drive-by's through the large clear windows that face the road. Whatever you want to do, this shop may have the answer
large room with peeling painted walls, white painted staircase, bare floorboards and large glass frontage.

Exterior

Back garden with patio area and mature shrubs and trees,
