**Interior**

A bright and modern interior with spacious rooms. Downstairs features a front living room with a wood clad feature wall. The rear of the house has an open plan kitchen diner. The kitchen features dark gray units and a white worktop. The dining space is spacious and includes a sofa with a wallpaper mural behind. The room is very bright due to the large windows and French doors across the back of the extension.

**Exterior**

This home is made from red bricks, very traditional of the area. At the front of the house there is a new brickwork driveway and small lawn space. There is access through a gate at the side of the house to the back garden. The back garden has a patio running inline with house and the rest is a grass lawn.
