Striking Detached Property For Filming

Architect-designed retreat nestled in the countryside with bright airy rooms available for filming and video shoots

Location: Oxfordshire, United Kingdom

Within the M25: No

Categories: Detached & Executive Houses | Family Modern

Features:

Interior

The airy, well-specified kitchen offers ample natural light and modern fixtures, with a spacious island, boot space and comfortable coffee corner. The airy, well-specified kitchen offers ample natural light and modern fixtures, with a spacious island, boot space and comfortable coffee corner. Upstairs, the principal suite and two additional king-sized bedrooms offer vaulted ceilings, Juliet balconies, and captivating views - all styled with a blend of rustic charm and modern comfort. A fourth bedroom, located above the double garage, provides a flexible space that can be transformed into a smart office, editing suite, or private retreat for creative teams.

Exterior

Architect-designed retreat nestled in the countryside. This striking detached property seamlessly blends contemporary elegance with rustic charm. Sweeping gravel driveway that welcomes you to the property's larch-clad heart. The double timber doors open into a spacious, fully finished garage area.
