Interior

This property consists of two separate barns that have been beautifully renovated. They are set up as events spaces, therefore are naturally versatile. All areas are painted in a neutral colour scheme and is filled with stunning exposed beams. There are large open spaces used as a dance floor, a working bar and a mezzanine level overlooking the breakfast rooms. In one barn there is an open plan room with kitchenette area. The property is completed with several bedrooms which also feature the tall ceilings and exposed beams.

Exterior

Between the barns there is a courtyard space which features both a patio and lawn. There is a large gravel car park accommodating a large number of vehicles.
