Thatched Property For Filming

Thatch property along with a modern extension built very much with space and light in mind and extensive glazing available for filming and video shoots

Location: Hampshire, United Kingdom

Within the M25: No

Categories: Detached & Executive Houses | Country Estates | Family Modern

Features:

Interior

The main property has 4 bedrooms although there is scope for further accommodation in the outbuildings. It has three bathrooms and a downstairs cloakroom.

Exterior

Thatch property dating back to mid 17th Century along with a modern extension built very much with space and light in mind and extensive glazing. Added to that a variety of outbuildings. Detached in a little under 2 acres , surrounded by rural farmland. Property itself a little over 3,000 sq ft.
