Interior

Typical two-bedroom Victorian mid-terraced house built of sandstone. The house is vacant and is available 24/7 and the owner permits redecoration and alteration work with prior agreements in place.

Down stairs you have two reception rooms, with the back on leading to a small kitchen.

Upstairs you have two bedrooms and a bathroom.

Exterior

The mid terrace house is on a quiet street and has a small garden area next to the front door. Out the back you have a small yard with an outdoor working toilet next to a coal shed.

There is open ground opposite the house, offering shots from various distances.
