**Interior**

This two storey barn built in 1650 is one of three properties available. This one in particular is across two levels. Downstairs there is a workshop type space with a double door entrance at the front and a smaller single door on the other side of the barn. Up the stairs there is an open space with white painted stone walls and lovely exposed beams. There is electricity available in this barn.

**Exterior**

Private parking in a lockable farm yard and two other properties on site. One being N7192 a studio with an atrium and the other is N7191 which is a farmhouse sleeping 6/9 people.
