Interior

This property is an 1884 Victorian semi-detached property is decorated throughout with eclectic art , collectables etc. The music room may be of particular interest with wall to wall CD's, hanging lights, sculptures, art work and a guitar collection. wooden floors, seating and neutral walls

Leading from the music room is a high ceilinged conservatory again full of artwork and collectables

Living area with cream walls, wooden floors, fireplace, large bay window, collection of artwork and pictures

The property has a cellar, again full of character

This property is certainly very different and unique. It would be idea for unusual photo-shoots or for film makers looking for something different.

Exterior

This property has a large garden with summer house, original 15ft high Victorian ivy-clad wall that runs the whole length of the garden, approx. 100ft, and which contains tasteful graffiti. Thlere is a summer house come music room with deck that contains a drum kit and artwork, and eclectic decor.

There is also a graffiti wall which can be painted and repainted as needed, either plain as a backdrop or with another piece of artwork.
