Features:

Interior

Five-bedroom, well maintained family home with large garden, original Victorian/Edwardian fittings and private off-road parking. Downstairs, the house consists of double-width stained glass front doors, newly retiled porch and a wide, newly decorated hallway. A very large through-lounge with double French doors leads to the garden. A separate dining room retains an extra-large fireplace flanked by bookcases and a solid wood dining table that seats 8-10. The kitchen is large and has a further set of double French doors leading to the patio and lawn. Upstairs are five bedrooms, including two extra-large double bedrooms with original fireplaces. A smaller nursery and two office rooms plus a bathroom suite complete the upstairs. The rooms are connected by a broad, light and newly decorated landing.

Exterior

Outside is a mature garden, sizeable patio and private, off-street parking. There is a double garage for storage.
