Stunning 4,750 sq ft space, bathed in natural light! Features include soaring ceilings, oversized windows and open floor plan

Location: North London, London, United Kingdom

Within the M25: Yes

Categories: Warehouse Locations

Features:

Interior

Stunning 4,750 sq ft space on 3rd floor of an industrial building, and bathed in natural light! Features include soaring ceilings, oversized windows, an open floor plan and smaller rooms, providing endless possibilities. Ideal for filming location, art events, workshops, or studio space, this unique property combines functionality with a bright, airy ambiance.

Exterior

It's located within a complex of warehouses and there's a cozy café on-site for snacks and refreshments, and parking is available upon request.
