Interior

The exterior is finished in pure brilliant white with gloss black wood panelling all around.

The property is ultimately flexible, spacious and finished to a high standard.

It is also vacant.

The property is less than 5 minutes from Heathrow airport (NOT under flight paths) and all its hotels.

There is approx. 4-5 thousand square feet of space spread over three floors with antique Rhodesian teak parquet flooring to the whole ground floor.

The lobby is open plan using archways to the front two reception rooms and three very large rear receptions. A downstairs washroom with impact sits alongside these perfectly.

Chandeliers and curtains are in keeping with the property; being either antique velvet, damask or a combination of both.

These are available upon request.

Exterior

There is front drive parking for at least 8 cars, if not more, along with unrestricted parking along the slip road off the main road directly outside the property.
