**Interior**

This early Victorian boarding school is expansive and offers so many extra facilities alongside the numerous classrooms and residential properties across the site. A stunning chapel with vaulted ceilings and stained glass windows stands alone. The indoor sporting facilities available include a 50m swimming pool, gymnasium, cardio suite, sports hall, golf simulator, squash courts and tennis courts. The different areas of the school are linked by long expansive semi outdoor hall ways. Within the school you also have the Music Recital Hall and a 250 seat theatre. We are still awaiting photos of several of these spaces. Multiple shower and toilet facilities can be found throughout this expansive location.

**Exterior**

Outdoor sports facilities include Rugby and Football pitches, Multi sport astro turf, Hockey pitch, Cricket pitches, 9 hole Golf course and Mountain bike track.
